

We'd like to thank Rob and his team at [Bendigo Bank \(Parkdale branch\)](#) for their generosity and continuing support of Mentone Pre School, with their most recent donation of \$7000 we have now been able to replace our old/dated heaters with 3 new modern heaters!

Talk to Rob and the team today!

New office heater

2 new heaters for the playroom

[Hodges Mentone](#) have been great supporters of Mentone Pre School for several years too, and this year is no different! They have provided us with advertising boards and took video footage so that future families can have a look inside and outside our lovely preschool, at a time when we're not physically able to offer tours.
