7. Incident Management Team Responsibilities

Incident Controller (Chief Warden)

Pre-Emergency

- Maintain current contact details of IMT members.
- Ensure children/staff with special needs list and staff trained in first aid list are up to date.
- Conduct regular exercises/drills.
- Ensure our emergency response procedures are kept up-to-date.
- Ensure staff on the IMT are aware of their responsibilities.

During Emergency

- Attend the emergency control point.
- Ascertain the nature and scope of the emergency.
- Ensure that the emergency services have been notified.
- Ensure the appropriate response has been actioned.
- Convene our IMT as required.
- Initiate evacuation of affected areas/lock-down/lock-out/shelter-in-place as required.
- Brief the incoming emergency services and respond to their requests.

Post- Emergency

- When the incident is rendered safe or the emergency services returns control, notify the IMT members to have staff and children return to normal operations.
- Organise debrief with the IMT and, where appropriate, with any attending emergency Service.
- Report serious incidents to the relevant Regulatory Authority in accordance with relevant regulatory requirements. Service agreements also require approved providers or licensees to notify DEECD in the event of a serious incident:
 - services operating under the National Quality Framework see [DEECD Reporting NQF](#)
 - services operating under the Victorian children's services legislation see [DEECD Reporting Vic](#)

Planning

Pre- Emergency

- Assist the Incident Controller.
- Identify resources required.
- Participate in emergency exercises/drills.

During Emergency

- Attend the emergency control point.
- Ascertain the nature and scope of the emergency.
- Report any changes in the situation to the Incident Controller.
- Act as directed by the Incident Controller.
- Plan for contingencies.

Post- Emergency

- Collect and evaluate information relating to the emergency.
- Identify recovery needs and develop a recovery plan (if required).

Operations (Area Warden)

Pre- Emergency

- Regularly check and report on deficiencies of emergency equipment and kits.
- Coordinate Safety practices (e.g. clear egress paths, access to first attack equipment e.g. fire extinguishers and disposal of rubbish) by wardens throughout their areas.
- Participate in emergency exercises/drills.

During Emergency

On hearing alarm or becoming aware of an emergency, the Operations Warden will:

- Attend the emergency control point.
- Communicate with the Incident Controller by whatever means available and act on instructions.
- Implement the emergency response procedure relevant to the floor or area and ensure that the Incident Controller is notified.
- Direct logistics officer (wardens) to check the floor or area for any abnormal situation.
- Commence evacuation if the circumstances on their floor or area warrant this.
- Control the movement of people.
- Co-opt persons as required to assist a logistics officer (wardens) during an emergency.
- Confirm that the logistics officer's (warden) activities have been completed and report this to the Incident Controller or a senior officer of the attending emergency services if the Incident Controller is not contactable.

Post Emergency

- Compile report of the actions taken during the emergency for the debrief.

Communications

Pre- Emergency

- Assist the Incident Controller.
- Attend training in the use of the service's communication system as appropriate.
- Maintain records and logbooks and make them available for emergency response.
- Ensure emergency and parent contact details are up-to-date.
- Participate in emergency exercises/drills.

During Emergency

- Attend the emergency control point.
- Ascertain the nature and location of the emergency. Maintain up to date information.
- Confirm that emergency services have been notified.
- Notify appropriate IMT members.
- At the direction of the Incident Controller provide instruction and information to staff, children and parents as required.
- Keep a log of events that occurred during the emergency.
- Act as directed by the Incident Controller.

Post- Emergency

- Collate logs of events completed by all IMT members during the emergency for the debrief and ensure they are secured for future reference.
- Contact parents as required.

Logistics (Warden)

Pre- Emergency

- Ensure staff are aware of the emergency response procedures.
- Carry out safety practices (e.g. clear egress paths, access to first attack equipment e.g. fire extinguishers and disposal of rubbish).
- Participate in emergency exercises/drills.

During Emergency

Persons selected to perform as Logistics Warden will carry out activities as set out in the emergency response procedures and as directed by the Operations Warden (Area Warden).

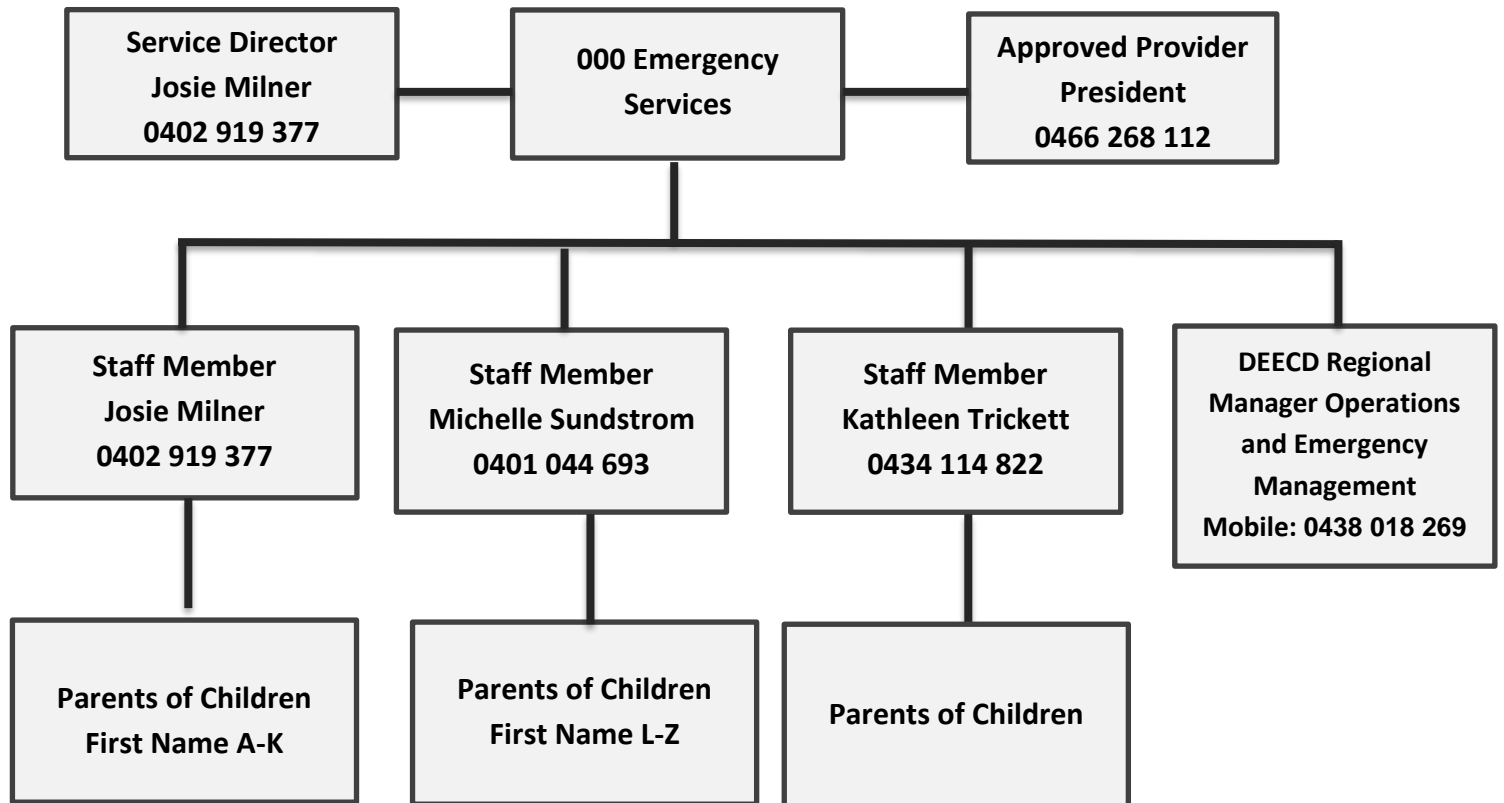

Activities may include the following:

- Attend the emergency control point.
- Operate the communication system in place.
- Check that any fire doors and smoke doors are properly closed.
- Close or open other doors in accordance with the emergency response procedures.
- Search the floor or area to ensure all people have evacuated. This function is of greater importance than a later physical count of those evacuated.
- Ensure orderly flow of people into protected area.
- Assist occupants with disabilities.
- Act as lead of groups moving to nominated assembly areas.
- Report status of required activities to the operations officer (area warden) on their completion.
- Act as directed by the Incident Controller.

Post- Emergency

- Compile report of the actions taken during the emergency for the debrief.

10. Emergency Response Procedures

10.1 On-Site Evacuation Procedure

When it is unsafe for children, staff and visitors to remain inside the facility's building the Incident Controller (Chief Warden) on-site will take charge and activate the Incident Management Team if necessary.

- **Call 000** and inform emergency services of the nature of the emergency.
- Seek advice from your Service Manager or your DEECD regional Manager, Operations and Emergency Management if required.
- Evacuate children, visitors and staff out of the building to you're the front or back yard (depending on where the danger source is)
- Take the child attendance list, your Emergency Kit/First Aid Kit and this Plan.
- Once at the assembly point, check all children, staff and visitors are accounted for.
- Ensure communications with emergency services is maintained. Wait for emergency services to arrive or provide further information.
- Contact parents if required.
- Maintain a record of actions/decisions undertaken and times.
- Confirm with emergency service personnel that it is safe to return to normal operations.

Actions After On-Site Evacuation Procedure

- Determine whether to activate your parent re-unification process.
- Determine if there is any specific information staff, children and visitors need to know (e.g. parent reunification process or areas of the facility to avoid).
- Print and issue pre-prepared parent letters as appropriate.
- Ensure any children, staff or visitors with medical or other needs are supported.
- Undertake operational debrief with staff and Incident Management Team to review the on-site evacuation and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 4 of the Guide).
- Report serious incidents to the relevant Regulatory Authority in accordance with relevant regulatory requirements and DEECD in the event of a serious incident.

10.2 Off-Site Evacuation Procedure

If it is unsafe for children, staff and visitors to remain on the facility's grounds the Incident Controller (Chief Warden) on-site will take charge and activate the Incident Management Team if necessary.

- **Call 000** and inform emergency services of the nature of the emergency.
- Seek advice from your Service Manager or your DEECD regional Manager, Operations and Emergency Management if required.
- Identify which off-site assembly point you will evacuate staff, children and visitors to.
- Evacuate staff, children and visitors to the Corner of Childers Street and Station Street if safe to do so, proceed to main oval of Mentone Primary School, Childers Street, Mentone
- Take the children attendance list, staff attendance list, your Emergency Kit/First Aid kit and this Plan.
- Once at assembly point, check all children, staff and visitors are accounted for.
- Ensure communications with emergency services is maintained. Wait for emergency services to arrive or provide further information.
- Maintain a record of actions/decisions undertaken and times.
- Contact parents if required.
- Confirm with emergency service personnel that it is safe to return to normal operations.

Actions After Off-Site Evacuation Procedure

- Determine whether to activate the parent re-unification process.
- Determine if there is any specific information staff, children and visitors need to know (e.g. areas of the facility to avoid or parent reunification process).
- Print and issue pre-prepared parent letters as appropriate.
- Ensure any children, staff or visitors with medical or other needs are supported.
- Undertake operational debrief with staff and Incident Management Team to review the off-site and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 4 of the Guide).
- Report serious incidents to the relevant Regulatory Authority in accordance with relevant regulatory requirements and DEECD in the event of a serious incident.

10.3 Lock-Down Procedure

When an external and immediate danger is identified and it is determined that the children should be secured inside the building for their own safety the Incident Controller (Chief Warden) on-site will take charge and activate the Incident Management Team if necessary.

- **Call 000** and inform emergency services of the nature of the emergency.
- Announce the lock-down and provide instructions to staff e.g. close internal doors and windows, sit below window level or move into corridors.
- Check that all external doors (and windows if appropriate) are locked.
- If available, allocate staff to be posted at locked doors to allow children, staff and visitors to enter if locked out.
- Seek advice from your Service Manager or your DEECD regional Manager, Operations and Emergency Management if required.
- Divert parents and returning groups from the facility if required.
- Ensure a telephone line is kept free.
- Keep public address system free.
- Keep main entrance as the only entry point. It must be constantly monitored and no unauthorised people allowed access.
- If it is safe to do so, have a delegated staff member wait at the main entry to the facility to guide emergency services personnel.
- As appropriate, ascertain that all children, staff and visitors are accounted for.
- Maintain a record of actions/decisions undertaken and times.
- Where appropriate, confirm with emergency services personnel that it is safe to return to normal operations.
- Contact parents as required.

Actions After Lock-Down Procedure

- Determine whether to activate the parent re-unification process.
- Determine if there is any specific information staff, children and visitors need to know (e.g. areas of the facility to avoid or parent reunification process).
- Print and issue pre-prepared parent letters as appropriate.
- Ensure any children, staff or visitors with medical or other needs are supported.
- Undertake operational debrief to review the lock-down and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 4 of the Guide).
- Report serious incidents to the relevant Regulatory Authority in accordance with relevant regulatory requirements and DEECD in the event of a serious incident.

10.4 Lock-Out Procedure

When an internal immediate danger is identified and it is determined that children should be excluded from buildings for their safety the Incident Controller (Chief Warden) on-site will take charge and activate the Incident Management Team if necessary.

- **Call 000** and inform emergency services of the nature of the emergency.
- Announce lock-out with instructions about what is required. Instructions may include nominating staff to:
 - lock doors to prevent entry
 - check the premises for anyone left inside
 - obtain Emergency Kit
- Go to the designated off-site assembly point of front or back yard (depending on where the danger source is)
- Assemble at the corner of Childers Street and Station Street if safe to do so and then proceed to the assembly point of Mentone Primary School main oval
- Check that children, staff and visitors are all accounted for.
- Maintain a record of actions/decisions undertaken and times.
- Where appropriate, confirm with emergency services personnel that it is safe to return to normal operations.
- Seek advice from your Service Manager or your DEECD regional Manager, Operations and Emergency Management if required.

Actions After Lock-Out Procedure

- Determine whether to activate the parent re-unification process.
- Determine if there is any specific information staff, children and visitors need to know (e.g. areas of the facility to avoid or parent reunification process).
- Ensure any children, staff or visitors with medical or other needs are supported.
- Print and issue pre-prepared parent letters as appropriate.
- Prepare and maintain records and documentation.
- Undertake operational debrief to review the lock-out and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 4 of the Guide).
- Report serious incidents to the relevant Regulatory Authority in accordance with relevant regulatory requirements and DEECD in the event of a serious incident.

10.5 Shelter-In-Place Procedure

When an incident occurs outside the children's service and emergency services or the Incident Controller (Chief Warden) determines the safest course of action is to keep children and staff inside a designated building in the facility (as evacuation might reasonably expose people to a greater level of danger until the external event is handled), the Incident Controller on-site will take charge and activate the Incident Management Team if necessary.

- **Call 000** and inform emergency services of the nature of the emergency.
- Move all children, staff and visitors to your pre-determined shelter-in-place area – the playroom
- Take the children's attendance list, staff attendance list, your Emergency Kit/First Aid kit and this Plan.
- Seek advice from your Service Manager or your DEECD regional Manager, Operations and Emergency Management if required.
- Ascertain (as possible) if all children, staff and visitors are accounted for.
- Ensure communications with emergency services is maintained. Wait for emergency services to arrive or provide further information.
- Maintain a record of actions/decisions undertaken and times.
- Contact parents as required and provide notification if the shelter-in-place is going to extend beyond the service hours of operation.
- Where appropriate, confirm with emergency services personnel that it is safe to return to normal operations.

Actions After Shelter-In-Place Procedure

- Determine whether to activate the parent re-unification process.
- Determine if there is any specific information staff, children and visitors need to know (e.g. areas of the facility to avoid or parent reunification process).
- Ensure any children, staff or visitors with medical or other needs are supported.
- Print and issue pre-prepared parent letters as appropriate.
- Prepare and maintain records and documentation.
- Undertake operational debrief to review the shelter-in-place and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 4 of the Guide).
- Report serious incidents to the relevant Regulatory Authority in accordance with relevant regulatory requirements and DEECD in the event of a serious incident.

10.6 Bush Kinder Evacuation Procedure

- Please refer to policy "Bush Kinder Evacuation Procedure". Parks Victoria contact for Braeside Park is Des Lucas on 0418 173 228.

11. Emergency Response Procedures for Specific Threats

11.1 Building Fire

- Phone **000** to notify the emergency services and seek advice.
- If appropriate, follow the procedure for **On-Site Evacuation**.
- Report the emergency immediately to the Incident Controller (Chief Warden) who will convene the IMT if necessary.
- Remain calm and activate the fire alarm.
- Extinguish the fire (**only if safe to do so**).
- Evacuate to the front or back yard (depending on where the danger source is), closing all doors and windows.
- If necessary and safe to do so, assemble at the corner of Childers Street and Station Street then proceed to Mentone Primary School main oval until told to leave by fire or police members
- Check that all areas have been cleared and notify the Incident Controller.
- Check that all children, staff, visitors and contractors are accounted for.
- Contact your Service Manager or your DEECD regional Manager, Operations and Emergency Management for advice and support if required.
- Direct all Media enquiries to DEECD Media Unit on 9637 2871.

11.2 Bushfire/Grassfire

- Phone **000** to notify the emergency fire services and seek advice.
- If appropriate, follow the procedure for **Shelter-In-Place**.
- Report the emergency immediately to the Incident Controller (Chief Warden) who will convene the IMT if necessary.
- Identify if any buildings need to be evacuated. Permanent buildings may be a safer option than portable/demountable buildings.
- If threat exists decide appropriate action e.g. move to shelter-in-place or evacuate the room/s, closing all doors and windows.
- Turn off power and gas.
- Check that all children, staff and visitors contractors are accounted for.
- Listen to TV or local radio on battery-powered sets for bushfire/weather warnings and advice.
- Ensure staff/children do not hinder emergency services or put themselves at risk by going near damaged buildings or trees.
- Contact your Service Manager or your DEECD regional Manager, Operations and Emergency Management for advice and support if required.
- Direct all Media enquiries to DEECD Media Unit on 9637 2871.

11.3 Major External Emissions/Spill (includes gas leaks)

- Phone **000** to notify the emergency services and seek advice.
- Report the emergency immediately to the Incident Controller (Chief Warden) who will convene the IMT if necessary.
- Turn off gas supply.
- If the gas leak is onsite, notify your gas provider.
- If safe to do so, evacuate staff, children, visitors and including contractors to the front or back yard (depending on where the danger source is), closing all doors and windows.
- If necessary and safe to do so, assemble at the corner of Childers Street and Station Street then proceed to Mentone Primary School main oval until told to leave by fire or police members
- Check children, staff, visitors and contractors are accounted for.
- Contact your Service Manager or your DEECD regional Manager, Operations and Emergency Management for advice and support if required.

- Direct all Media enquiries to the Department's Media Unit on 9637 2871.
- Await 'all clear' advice from emergency services or further advice before resuming normal service activities.

11.4 Intruder/Personal Threat

- Phone **000** to notify the emergency services and seek advice.
- Report the emergency immediately to the Incident Controller (Chief Warden) who will convene the IMT if necessary.
- Do not do or say anything to the person to encourage irrational behaviour.
- Initiate action to restrict entry to the building if possible and confine or isolate the threat from building occupants.
- Determine if **evacuation or lock-down** is required. Evacuation only should be considered if safe to do so.
- Contact your Service Manager or your DEECD regional Manager, Operations and Emergency Management for advice and support if required.
- Direct all Media enquiries to DEECD Media Unit on 9637 2871.

11.5 Bomb/Chemical Threat

- Phone **000** to notify the emergency services and seek advice.
- Report the emergency immediately to the Incident Controller (Chief Warden) who will convene the IMT if necessary.
- If a bomb/chemical threat is received by telephone:
 - **do not** hang up
 - refer to the bomb threat checklist.
- If a bomb/chemical threat is received by mail:
 - avoid handling of the letter or envelope
 - place the letter in a clear bag or sleeve
 - inform the Police immediately.
- If a bomb/chemical threat is received electronically or through the schools website:
 - do not delete the message
 - contact police immediately.
- Ensure the service's doors are left open.
- Do not touch any suspicious objects found.
- If a suspicious object is found or if the threat specifically identified a given area, then **evacuation** may be considered.
- Contact your Service Manager or your DEECD regional Manager, Operations and Emergency Management for advice and support if required.
- Direct all Media enquiries to DEECD Media Unit on 9637 2871.

REPORT CALL TO:	

11.7 Internal Emission/Spill

- Phone **000** to notify the emergency services and seek advice.
- Report the emergency immediately to the Incident Controller (Chief Warden) who will convene your IMT if necessary.
- Move staff/children away from the spill to a safe area and isolate the affected area.
- Seek advice in regards to clean up requirements, and if safe to do so, the spill can be cleaned up by staff. Personal Protective Equipment should be worn as per the requirements of the Material Safety Data Sheet and Safety Work Procedure.
- Contact your Service Manager or your DEECD regional Manager, Operations and Emergency Management for advice and support if required.
- Notify the Victorian WorkCover Authority (formerly WorkSafe Victoria) if required.
- Direct all Media enquiries to DEECD Media Unit on 9637 2871.

11.8 Severe Weather / Storms and Flooding

- Phone **000** to notify the emergency services and seek advice if necessary.
- Store or secure loose items external to the building, such as outdoor furniture.
- Secure windows (close curtains & blinds) and external doors. If necessary, tape windows and glass entrances. Utilise boards and sandbags if required.
- Protect valuables and disconnect electrical equipment – cover and/or move this equipment away from windows.
- During a severe storm, remain in the building and keep away from windows. Restrict the use of telephone landlines to emergency calls only, particularly during a thunderstorm.
- After storm passes, evaluate the need to evacuate if uncontrolled fires, gas leaks, or structural damage has occurred as a result of the storm.
