INTRODUCTION

Welcome to Mentone Pre School. We hope that you and your child enjoy the time you spend with us.

Mentone Pre School was established in 1958 by local parents from a church playgroup who fundraised for more than five years to purchase the land, build the centre and establish the service. Mentone Pre School is one of only three kindergartens in the City of Kingston that are an independent incorporated body – all parents are members who effectively ‘own’ the Pre School collectively.

This means that the parents of the children who attend are responsible for the continuity of administration and upkeep of the buildings, grounds and equipment. Therefore, the role of the Committee in organising maintenance and other essential functions is crucial.

The Committee is elected by members (parents) and undertakes the organisation of the service and premises for 12 months. Members of the Committee and Sub Committees work with and support the teaching staff to provide a safe and caring environment where children can develop at their own pace.

The staff endeavour to help your child develop the attitudes, skills and knowledge that will prepare them for their first years at school and for their lifetime.

Mentone Pre School is registered with the Department of Education and Training (DET) and is inspected regularly to ensure that it meets all relevant standards and regulations.

Mentone Pre School is a member of Early Learning Association Australia (ELAA), which is an important resource for the Committee and keeps us informed of any legislation or regulations that affect kindergartens.

Mentone Pre School acknowledges the funding provided by the Victorian State Government.

COMMITTEE AND SUB COMMITTEES

The governing body is the Mentone Pre School Association Incorporated, of which all parents are members. A committee of parents is elected each year at the Annual General Meeting held in 4th term. Their term of office commences at the handover meeting.

The Committee is responsible, on behalf of all parents, for the organisation of the Pre School for a period of 12 months. Committee meetings are held once a month when members and staff discuss matters concerning the Pre School program, finances, enrolments, equipment etc. The participation of all parents is welcome at any time at meetings, working bees and fundraising events.

The Committee is supported by KALC Commercial Services who provide financial management services, assistance in liaising with Council and State Government departments and practical advice.

The Committee consists of:

President - Chairs committee meetings, handles day-to-day decisions, liaises with parents, committee members and staff and mediates where necessary. Responsible for staff recruitment if required. Delegates most tasks and involves General Committee members if extra assistance required.

Vice President - Assists and deputises for the President, undertakes the role of Grant Writer and compiles the Annual Report for the AGM. Often involved in sub-committees related to capital works.

Secretary - Responsible for all incoming and outgoing correspondence, compiling and distributing monthly meeting agendas and meeting minutes. The secretary monitors the committee 'action' list, completes Mentone Pre School's Annual Statement for Dept. of Justice and assists in the preparation for the AGM.

Treasurer - Organises banking, keeps monthly financial records and liaises with the external consultant regarding financial status. Follow up any outstanding fee payments, monitors expenses, raise invoices and make payments in combination with the assistant treasurer.

Assistant Treasurer - Raises invoices for fees and pays accounts. Assists the treasurer as and when required.

Fundraising Officers (3-4 positions) - Organises fundraising events for Mentone Pre School. Fundraising activities include the Bunnings sausage sizzle, cake stalls, quiz night, raffles, uniform merchandise orders, Entertainment Book and other activities as agreed on.

Social Group Representative (3 positions) - One family member from each group (Dolphin, Sea Stars and Penguins). Organises group specific family social activities each term and/or through the term breaks (e.g. a play date, coffee morning or dinner) to ensure a welcoming feel within our preschool. The liaison between general committee, staff and parents as well as keeping in close contact with the fundraising committee to make sure parents are aware of upcoming events (for instance: welcome picnic, quiz night and other fundraising activities).

Working Bee Coordinator - Organises tradespeople to repair and maintain kindergarten facilities and obtains quotes where necessary (no manual work required).

Coordinates working bee dates and tasks with the teachers and committee (does not need to attend all working bees). Arranges for working bees to be publicised.

Supported by General Committee when required.

Quality Officer - Reviews and updates policies and procedures of the Pre School as required. Liaises with the Nominated Supervisor on all policy changes. Is to report on the Pre School's Quality Improvement Plan and organises the annual parent survey.

Assisted by General Committee when required.

Publicity Officer - Prepares the monthly newsletter. Monitors and updates our website, social media, My Community Life, Google listing and Flexischools.

Ensures that special events and working bees are well communicated and advertisements arranged as necessary. Compiles and arranges printing of the yearly information book for parents of enrolled children.

4-Year-Old Enrolment Officer - Liaises with the City of Kingston's central enrolment office, communicates with parents regarding enrolments for 4-year-old sessions and finalises enrolments for the coming year and new enrolments through the year if places available.

3-Year-Old Enrolment Officer - Communicates with parents regarding enrolments, maintains a waiting list for the coming year, and finalises enrolments for 3-year-old sessions for the coming year and new enrolments through the year if places are available.

General Committee - Assists all committee members when required with special tasks and projects. Help cater at the AGM and purchase Christmas gifts for the teaching staff and the Pre School's neighbours.

PROGRAM DETAILS

Kindergarten is a wonderful place for children. It provides countless opportunities to discover, think, plan and play. Each child is encouraged to explore the wide range of educational experiences available through a program developed on the basis of the teacher's knowledge of the children as individuals. This knowledge is gained through ongoing observations and the teacher's interaction with each child. The focus is on enhancing their strengths and recognises that all children are different and should be allowed to develop at their own pace to reach their individual potential.

Aims of the program:

- To provide an enjoyable, cooperative and safe environment where children feel valued and supported.
- For each child's unique worth to be valued and his/her self-esteem strengthened.
- For each child to develop confidence in his/her own ability to function as a member of a caring and loving group.
- For each child to be aware of, and express appropriately, his/her own needs, feelings and ideas and to recognise these rights in others.
- For each child to be encouraged to develop a sense of independence and responsibility.
- For parents to be welcomed into the Pre School and their unique relationship with their child to be recognised and valued.
- To encourage parents to participate in the Pre School program.
- To communicate with parents on an ongoing basis about their child's development.
- To have the children and the Pre School community value and respect differences of culture, gender and ability.
- For the children to be given the opportunity to develop their social, emotional, cognitive, physical and language skills.
- To foster an enjoyment of discovery and learning about the world.

EDUCATIONAL PROGRAM

The Educational Program at Mentone Pre School follows the practices and principles as outlined in the “Victorian Early Years Learning and Development Framework”. This framework identifies five learning and development outcomes for all children. These are:

- | | | |
|----|----------------------|---|
| 1. | IDENTITY | Children have a strong sense of identity |
| 2. | COMMUNITY | Children are connected with and contribute to their world |
| 3. | WELLBEING | Children have a strong sense of wellbeing |
| 4. | LEARNING | Children are confident and involved learners |
| 5. | COMMUNICATION | Children are effective communicators |

- Play dough and clay using hands, rollers, cutters, natural materials, buttons etc.
- Using puzzles to enhance spatial awareness.
- Building with wooden blocks and construction sets for the development of concepts of size, volume and space.
- Painting with endless shades of colour using a wide variety of tools.
- Printing using stamps, sponges, balloons, corks, buttons etc.
- Creating with boxes, streamers, confetti, using paste, sticky tape and staples to join materials.
- Paper tearing and cutting with scissors.
- Threading and sewing.
- Drawing and using crayons, felt tip pens, oil pastels, chalk and pencils and a variety of paper types and sizes.
- Books - big books and conventional books, picture books and storybooks – to look at, read together and talk about.
- Puppets and storytelling to enhance imagination, memory and communication skills.
- Dramatic play – home area, office, hospital, dress-ups etc. and/or shops.
- Sand and water play.
- Running, climbing, balancing on the outdoor equipment, throwing and catching balls and bean bags.
- Group times – games, singing, finger-plays, rhymes, discussing, using musical instruments and movement activities with the teacher and other children.
- Mother’s Day, Grandparents’ days, fathers’ sessions, relevant festivities and celebrations.
- Incursions and excursions – as appropriate and relevant to the program. The cost of these are included in the standard fees each term and vary from year to year, depending upon the interests of the children.

The program presented at Mentone Pre School is a balance of activities of increasing complexity in which the teacher guides the children in their acquisition of basic skills, attitudes and knowledge. Part of the session is spent indoors and part outdoors. The children have free selection of the activities provided; these activities are designed with consideration of the children’s level of development. Each child is encouraged to build on the skills they already possess.

Group activities are also planned so that the children become aware of their role and value as a member of a group. These include things such as music, movement, singing, games and discussion which are covered in all aspects of the curriculum.

Staff aim to provide an environment where children feel safe, comfortable and happy. No pressure is placed on the child to achieve standards beyond their level of development, rather it is stressed that each child should learn at their own specific rate.

At the end of the Pre School years it is hoped that the children have developed confidence and independence and that they have a positive attitude towards themselves, learning, the environment and other people.

Children may not always have ‘work’ to take home because some of the activities have no tangible product. Children learn many skills from cutting, pasting and painting which result in a ‘take home’ item, as well as from block building, puppet play and play dough, which have no finished product to take home. Both types of activities are valued for the physical, social, emotional, cognitive, and/or language skills that are encouraged as the children participate.

Throughout the year Mentone Pre School offer the 4-year-old groups the opportunity for excursions into the local community (shops, local playgrounds and parks, library as well as Traffic School). Where these are planned we ask parents to volunteer to accompany us so that we have sufficient adults to ensure the safety of the children.

Teachers are more than happy to answer any questions you may have about Mentone Pre School, the program we provide or your child's progress and development at any time. Please email your child's teacher on their group specific email (via Flexischools), phone them at kindergarten or see them at drop off or pick up to request a mutually agreeable time.

A specific time is provided during term 3 for parent/teacher interviews for our 4-year-old groups.

A great way to learn more about the program is to be involved with the Committee as well as attending Committee meetings or offering your assistance during your child's session as a parent participation helper (siblings are welcome!)

FOOD AND SNACKS

Each day the children are asked to bring dried fruit, fresh fruit or vegetables to have at snack time. These should be packed in a small lunch box labelled with the child's name. The 4-year-old Penguin and Sea Stars will also need food for lunch. Each year we review our food policy in light of information received regarding specific food allergies - a list will be provided. Parents are asked to adhere to the allowable food list that is part of the nutritional policy and can be found in the policy book in the foyer.

Please remember that some children have *life threatening* allergies and that foods such as nuts should not be brought into the building by any child or adult.

Water is the only drink available; fruit juice is served on special occasions.

On your child's birthday their group will celebrate with songs, a special birthday 'cake' for them to blow out the candles and they will even receive a little gift. You are politely asked to not bring anything for the children to have at the end of the session, as in previous years it became more about what everyone would get and not about the birthday child!

FEES

All operating costs of the Pre School are paid directly from term fees and government subsidies. The Department of Education and Training pays subsidies for each child attending 4-year-old kindergarten. There are currently no subsidies for 3-year-old kindergarten programs.

Funds are used to cover the costs of:

- staff wages;
- heating, lighting and communication;
- insurance;
- maintenance of buildings and grounds;
- maintenance of equipment;
- purchase of consumables (e.g. paint, paper);
- purchase of new equipment and furnishings.

There are a number of fees payable as part of the application process and throughout the year:

Application Fee - A payment that registers a family's interest in a place at the Pre School. Application fees are non-refundable.

Placement Fee - A payment to accompany the enrolment acceptance of a child for a place in a program at the service. Placement fees are non-refundable, however are transferred to become the working-bee levy once the child commences the Pre School program. On attendance of a working bee, your placement fee will be deducted from your term 4 fees.

Term Fees - A payment for a place within a program at the Pre School.

Late Collection Fee - A fine associated with the habitual late collection of students.

Holding Deposit - This is applicable when a family wishes to enrol a child for a particular Pre School year, but does not commence classes until later in the year. In order to guarantee the place of the child, fees are to be paid for all terms not attending until the child begins at the Pre School.

Levy - A payment made in lieu of parent/guardian involvement in specific activities, e.g. working bee / maintenance.

Fees for 2020 have been set at:

\$455 per term for 3-year-old kindergarten and \$540 per term for 4-year-old kindergarten *This amount includes all planned incursions and excursions*

Term fees and session hours may be subject to change depending on child numbers, the level of government funding and rising costs, all of which are beyond our Pre School's control. Parents will always be given a substantial amount of notice in the event of such an occurrence to allow for any adjustments that may be necessary. Best endeavours will be undertaken to minimise disruptions to sessions.

Parents will receive an invoice for fees prior to the beginning of each term. If you have difficulty paying the amount when due please contact the Treasurer via email (treasurer@mentonepreschool.com.au) as special arrangements can be organised.

Families who may be eligible for the Kindergarten Fee Subsidy (four-year-old programs only) include those who are:

- Health Care Card holders
- Pensioner Concession Card holders
- Department of Veterans' Affairs Gold Card or White Card holders
- Bridging Visas A–E
- Refugee Visa (subclass) 200

- In-country Special Humanitarian visa (subclass 201)
- Global Special Humanitarian visa (subclass 202)
- Temporary Humanitarian Concern visa (subclass 786)
- Protection visa (subclass 866)
- Emergency Rescue visa (subclass 203)
- Woman at risk visa (subclass 204)
- ImmiCard
- Aboriginal or Torres Strait Islander children
- triplets or quadruplets attending a funded kindergarten program in the same year.

To obtain the reduction, please forward a copy to the office via email (info@mentonepreschool.com.au). The Pre School Fee Subsidy is paid by the Victorian Government and is paid per eligible child per quarter. The fee subsidy will be deducted in four equal amounts per term, where appropriate.

Receipts for term fees must be requested in writing to the treasurer.

The following information from the Pre School's Policy and Procedure Manual is reproduced for your information.

Payment of fees - The Committee of Management of Mentone Pre School will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided for all fee payments.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Treasurer to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

Fee dates for 2020:

Fee Description Per Child	Fees (\$)	Invoiced by Date	Due Date
Non-refundable application fee for 3 year old kinder	\$10.00	On Application	On Application
Placement fee (\$50 is refundable upon attendance at a working bee)	\$100.00	Upon acceptance of place	Upon acceptance of place
Holding Deposit (per child per term position is held)	\$455- 3 year old \$540 - 4 year old	On holding request	On holding request
Term 1 Fees	\$455 - 3 year old \$540 - 4 year old	1/12/2019	15/12/2019
Term 2 Fees	\$455- 3 year old \$540 - 4 year old	13/03/2020	79/03/2020
Term 3 Fees	\$455 - 3 year old \$540 - 4 year old	12/06/2020	26/06/2020
Term 4 Fees	\$455- 3 year old \$540 - 4 year old	4/09/2020	18/09/2020

Working Bee Levy - The \$100 placement fee (paid upon acceptance of a place at the Pre School) is transferred to become the working bee levy upon the child's commencement of the Pre School program. \$50 of the levy will be refunded to parents/guardians after attendance at a rostered working bee. Rostered working bees are scheduled during each term.

The working bee levy will be reimbursed via a \$50 reduction on the term 4 invoice, with the exception being attendance at Term 4's working bee. These families will have the \$50 refunded via EFT (Electronic Funds Transfer).

Failure to attend a working bee will result in forfeit of the Working Bee levy with the exception of families holding a role on the Mentone Pre School committee for the current year.

The Mentone Pre School committee members will have the \$50 working bee levy deducted from their child's term 4 fee invoice. Committee members are still encouraged to participate in working bees.

Pro Rata Fees - When a position becomes available during a term and a child commences Pre School part way through a term, a pro rata fee will be calculated and advised to the parent via letter. Payment is expected within 10 days of the date of the letter.

Unpaid Fees - If fees are not paid by the due date, the following steps will be taken.

An initial reminder letter will be sent to parents/guardians with a specified payment date and will include information on a range of support options available for the family.

Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.

Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.

The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.

If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.

Refusal to Pay - Where, following the above procedures, a family still does not pay the appropriate fees, the family will be warned that the service will be withdrawn and the Committee will give the date for this in writing after final consideration. The letter from the Committee will include notice that any future application from the family for other siblings to attend Mentone Pre School will not be accepted. The Department of Education will be notified of the withdrawal of service (as the student's place in a 4-year-old program is funded).

Fundraising - Fundraising activities allow the Pre School to purchase additional resources and equipment. Fundraising can include a variety of activities, social fundraising events and product drives. Since all students benefit from the items purchased as a result of fundraising activities, we would encourage all families to become actively involved.

3-YEAR-OLD KINDERGARTEN- 2020

DOLPHINS

Teacher: Mrs Kathleen Trickett
Bachelor of Early Childhood Education & Development

Educator: Mrs Robyn Brown
Certificate III in Early Childhood Education

The staff are more than happy to answer any questions you may have about the Pre School or the program. Please feel free to speak to them after the session or to make an appointment - dolphins@mentonepreschool.com.au

Enrolments - Enrolments for 3-year-old Pre School are made directly through the Pre School and not through the local council. Applications can be made at an Open Day held in April each year and for a two-week period following this. Any applications received after this time will be placed on a waiting list. A child must be 3 years old by the 30th April of the year they attend and cannot attend until on/after their third birthday.

A non-refundable Placement Fee of \$100 is required when the child's enrolment is confirmed. This placement fee is transferred to become the working bee levy upon the child's commencement in the Pre School program.

At the beginning of the year - In order to make the children's introduction to Mentone Pre School as happy and positive as possible we split the children into smaller groups during our initial sessions. All children attend together from Thursday 13th February 2020.

Having smaller groups allows the children to adjust more easily to the routines of each session and allows us to get to know one another in a more relaxed environment where we are more able to offer support to each child when required.

Session times:

Lunchtime Relief

We have an additional lunchtime assistant come in on Monday, Wednesday and Friday

The staff are more than happy to answer any questions you may have about the Pre School or the program. Please feel free to speak to them after the session or make an appointment by contacting them via email on the above addresses or via the Flexischools app. Teacher interviews will be held in term 3.

In term 4 a Transition Report for each child in the 4-year-old group is provided to the family. The transition report is a statement about the child's development, experience of kinder and is a communication tool between kinder and Prep teachers.

Enrolments - Enrolments for 4-year-old Pre School are made through the City of Kingston's centralised enrolment system. Enrolment forms are to be completed using the online tool via the [City of Kingston](#) website.

A child must be 4 years old by 30th April of the year they attend in order to enrol for 4-year-old Pre School.

The steps in enrolling in either the Penguins or Sea Star 4-year-old programs are:

1. Visit the kindergarten services and decide on the kindergarten that best meets your needs (due to COVID-19 this may not be possible at this time)
2. Submit your online application form to the City of Kingston by 30th June to be included in the first round of offers.

Allocations begins mid-July. You will receive an offer letter from the City of Kingston. If you receive an offer you must contact the kindergarten within five working days to confirm your place.

Pre-enrolment forms will then be sent to parents. These need to be returned to Mentone Pre School along with supporting documents and fee in order to maintain a 4-year-old place.

At the beginning of the year - In order to make the children's introduction to the Pre School as happy and as positive as possible we do not have all the children in the group attend together during our initial sessions.

Having smaller group numbers allow the children to adjust more easily to the routines of each session and allow us to all get to know one another in a more relaxed environment where we are more able to offer support for each child when required.

Session times:

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Sea Stars (4yo) 8.30am-4pm	Penguins (4yo) 12.30pm-4pm	Sea Stars (4yo) 8.30am-4pm	Penguins (4yo) 8.30am-1.30pm	Penguins (4yo) 8.30am-3pm
				

Full details of session times for your child in the first weeks of the year will be distributed to parents at the Annual General Meeting.

The first session is an interview day where we only have some of the group there at once and the parent(s) are present for the duration. This gives the child the best start to the year, as it's not so overwhelming. You will be notified of interview times during the AGM.

Bush Kinder - Mentone Pre School have been running a Bush Kinder program since 2017 and weekly sessions continue in 2020 for our 4-year-old Penguin group, starting from term 2. For further information please read the Bush Kinder Booklet. An information evening will be held in term 1.

HELPFUL HINTS FOR PARENTS

For the first few weeks you are welcome to stay until your child has settled into an activity, but do not be tempted to prolong this period of adjustment to separation. Remember we are aiming for an independent child and each success builds self-confidence! *****Please note, that due to COVID-19 parents and carers are not permitted to enter the premises*****

During session times the children are the first responsibility of the staff. If you have something you wish to discuss, please be brief or wait until the end of the session. Try not to telephone the preschool during session times.

Help from a family member in parent participation is expected and appreciated. You can interact with your child and their friends and make a positive contribution to their kindergarten session. Toddlers are welcome, however please understand that their shorter attention spans mean they can be disruptive and so need your supervision for their safety. Families are asked to help with the laundry once a term.

Please keep Mentone Pre School up to date with information such as change of contact person or address and provide staff with any information about circumstances that might affect your child physically or emotionally.

If you have any queries or comments about your child's development, experiences or any other matter relating to your child, please arrange a time for a conversation with your child's teacher.

Dropping off and collecting your child - Bring your child to the gate, where a teacher or educator will be waiting to greet your child. They will sign the attendance book at the beginning of each session. Please let us know who will be collecting your child by name, not the relationship to the child such as 'mother' or 'Grandma'.

Please remember to physically distance from other people, to minimise the risk of spreading germs. Your child will be required to wash or sanitise their hands as they come into preschool. If you would like to discuss preschool policies or procedures, please attend the Committee meetings (currently these are being held via Zoom).

Please be on time when collecting your child as they may become worried when you are late. If you know you will be late or delayed at any time contact the Pre School so we can explain the situation to your child. Make sure you notify staff of any changes in the pick-up procedure for your child. (Refer to Policy and Procedure manual: *Delivery and Collection of Children Policy* available online or in the Pre School foyer).

If you have any comments or queries for your child's teacher, please arrange a suitable time for a conversation.

Clothing - Send your child in clothes that are practical for play and which they can manage when going to the toilet. Thongs, heels and inappropriate footwear, which are dangerous when climbing, are not suitable.

Hats are provided by Mentone Pre School which are to be worn during terms 1 and 4. Jackets are needed on cold or wet days. Sunscreen is necessary and should be applied before the session at home. Clothing and other items such as bags, snack boxes etc., should be labelled with your family or child's name.

Attendance and health - It is good to establish a routine of regular attendance. However, a child who is feeling unwell will not gain any benefit from the preschool program. Infections spread very quickly among young children.

You are asked to **keep your child at home** if you think he or she is suffering from any of the following: fever, cold, eye infections, gastroenteritis (gastro), head lice, sore throat, threadworm, chickenpox, infected sores, impetigo, cough, ringworm or cold sores and to seek medical advice from your GP.

A full list of diseases and conditions that require that the child is excluded from attending sessions is detailed in the *Dealing with Infection Diseases Policy* (available online or hard copy in the foyer) and reproduced on the back page. Please notify the staff if your child is ill or will be away for more than one session.

Emergency procedures - The children are taught an emergency evacuation procedure at the beginning of the year and this is rehearsed each term. The signal for the children to line up to be evacuated is three whistles (the sound of a whistle is not used for any other purpose in the Pre School). The emergency meeting point is the corner of Childers and Station streets. If you are on duty during a mock evacuation, please follow instructions given by the staff.

Birthday invitations - Please try to deliver invitations discreetly to avoid any children feeling 'left out'. Ideally birthday invitations can be placed in pigeonholes for the parent to collect or handed directly to parents.

You can support the Pre School by:

- Volunteering to help during one or two sessions each term or arranging to swap with another parent if you can't make it for a session.
- Reading the notice boards and newsletters;
- Joining the Committee and/or supporting their activities;
- Attending general meetings;
- Attend social and fundraising functions;
- Responding to requests for certain items;
- Bringing friends along to visit; and
- Sharing your interests and talents with the children.

POLICIES AND PROCEDURES

Full details of Mentone Pre School's policies and procedures can be found in the Policy and Procedure Manual which is in the preschool foyer. They are also available online. All parents are encouraged to make themselves familiar with policies and procedures relating to Mentone Pre School:

Quality Area	Policy
1	Curriculum Development
1	Inclusion and Equity
2	Acceptance and Refusal of Authorisations
